## What's it like to be part of our Wine of the Month Club?

Each month we explore a different wine region with our Wine of the Month Club members. Three wines are selected. (**two value red/white & one premium red**). We publish a newsletter which includes a map, fun facts about the region and information about local winemaking. The wines are explained, described and paired with a dish native to the region. Members receive a discount on the featured wine averaging 20% off the retail price. Value = \$15 or less for members. Premium= \$30 or less for members.
